AVX-CHANGE, INC.

The Superior Choice for Audio Visual Solutions

AVX-CHANGE is a highly efficient, affordable and well organized Audio-Visual small business with a specialized focus in the Multi-Media Presentations and Structured Cabling marketplace.

The professionals at AVX-CHANGE consult, design and implement complete Mutli-Media systems from conception through completion.

By utilizing the experience, knowledge and creativeness of AVX-CHANGE, your Audio-Visual expectations will not only be met, they will be exceeded. AVX-CHANGE has the skills and embraces the opportunity to ensure a proper initial Audio-Visual design, which could otherwise lead to additional costs and stress.

AVX-CHANGE offers national and international All-Inclusive services and solutions for technology rollout deployment, product integration, field maintenance and equipment installation.
